## About Us

Since 1988, the Center for Creative Ministry has been serving local church leaders and individuals around the world. Formerly known as the publishers of ABBA Newsletter and the Baby Boomer Ministries Resource Center, we have now broadened our generational/ministry focus to include our children. The Center for Creative Ministry took on its new name on June 1, 1996.

The Center for Creative Ministry, formerly Baby Boomer Ministries, is a privately funded and managed para-church ministry fully recognized by the Seventh-day Adventist Church in North America. We are dedicated to supporting the local church in outreach and nurture ministries by providing resources, information, training, and consulting.
